

A Sustainable Perspective to Environmental Sustainability: A Call to Action

February 25: Care of the Soul – Care of the Natural World

Thomas Moore and Jane Goodall

Here are some questions to think about when Reading Excerpts from *Care of the Soul* by Thomas Moore and *Seeds of Hope* by Jane Goodall:

- Can you imagine what care of the soul would look like for you?
- Does relating the soul to the natural world make sense to you? If so why? If not why?
- How could Thomas Moore's view of the soul inform environmental action?
- How are we connected to the natural world?
- How can the natural world inform our spirituality?
- If Jane Goodall was talking with Thomas Moore, what would they say to each other?
